## STOCK EXCHANGE REGISTERS DROP

Early Offering of Shares Coupled With  
Heaviness in Speculative Shares  
Bring Slump.

New York, Feb. 9.—Stocks were offered on the advance on the stock exchange today and, coupled with sudden heaviness in some of the more speculative issues, notably Industrial Alcohol, Cuban American Sugar and Texas company, resulted in general recessions.

United States Steel fell off a substantial fraction and Crucible, Mexican Petroleum and other war and semi-war shares as well as Baltimore and Ohio and Rock Island, were under yesterday's close. Dealings dwindled to slender proportions in the second hour and irregular tendencies were again manifested at midday.

Bonds were steady. Washington advices that the Lusitania case had been virtually settled with bullish news regarding the steel and copper industries caused a cheerful feeling in financial circles here before the opening of the stock market. Prices at the start were substantially higher, with many stocks up 1 to 2 points. Canadian Pacific and New York Central were the strongest features of the railroad lists, and gained 1 1/2 each. American Car and Foundry, United States Alcohol, Crucible Steel and Beet Sugar and the coppers led the industrial division upward.

## WHEAT GAINS ON FOREIGN CABLES

Word of Liverpool's Inadequate Supply  
for Increased Demand Advances  
Prices.

Chicago, Feb. 9.—Wheat gathered fresh strength today notwithstanding that at first some uncertainty was shown. Bulls replied chiefly on the fact that the demand at Liverpool continued to exceed the supply and opinions that damage reports from the domestic winter crop belt were likely to become more numerous. Falling off in receipts northwest tended to handicap the bears. After opening 1/2 to 3/4 off to 1/4 up, with May at 1.29 1/2 to 1.30 1/4 and July at 1.22 1/2 to 1.23 1/4, the market sagged a little and then scored a moderate general advance.

Subsequently prices underwent a decided reaction as a result of what seemed to be a waiting policy in the export trade and because of free country marketing in the southwest. Liquidating sales assumed large proportions. The close was steady, but 2 1/4 to 2 1/2 net lower with May at 1.27 1/4 to 1 1/4 and July at 1.20 1/4 to 1 1/4.

Seaboard demand lifted corn. The rise was helped by the removal of embargoes on shipments to Baltimore and by bullish crop reports from Argentina. Opening prices, which ranged from 1 1/4 to 1 1/2 higher, were followed by further upturns.

Later a break in wheat prices led to much weakness in corn. The close was heavy at 1/4 to 1/2 net decline.

Oats responded to the corn strength. There were reports of an improved domestic inquiry east.

Provisions advanced with hogs. On the bulge, however, packers sold and caused something of a reaction.

## The Day in Davenport

Call Extended. — Rev. Wilbur L. Clapp, now secretary of the Laymen's Missionary movement in the United States and Canada, with headquarters in Waterloo, was extended a call, unanimously, by the First Baptist church at the close of the morning service Sunday. The congregation has reason to believe that Mr. Clapp will accept the pastorate here. For the last two years Mr. Clapp has been the interdenominational secretary for the laymen's missionary movement. Previous to interesting himself in that work he was a noteworthy record in various active pastorates. He has held charges at Appleton, Wis., and in Chicago.
